

NEW BOARD OF DIRECTORS

NEWS HEADLINE

(HOUSTON, 2016 February) -- Michael Reiss von Filski, Global CEO of GGI (Zurich), was elected Chair of AILFN's Board of Directors at their recent London Meeting. AILFN, <www.ailfn.com>, a trade association of global and regional law firm networks, is established to demonstrate the networks are the most effective and efficient model for providing global legal services.

"I am honored to be elected AILFN's first Chair," said Mr. Reiss von Filski. "We are proud to be a founding AILFN member because GGI embraces sharing know-how and ideas and holds staunch commitments to quality, high standards, and excellence."

Mr. Reiss von Filski is the Global CEO of GGI <www.ggi.com> and on the firm's board of directors. He is also a partner in an international family office advising clients of high net worth, a non-executive director of several companies and a member of the editorial board of the International Accounting Bulletin, as well as in the advisory committee of EGIAN <www.egian.eu>. Michael Reiss von Filski is a former diplomat and an accredited observer to the European Parliament and a member of the Board and of the International Council of Louvain School of Management LSM.

About AILFN

AILFN is a trade association of global and regional law firm networks established to demonstrate the networks are the most effective and efficient model for providing global legal services. Its purpose is to create an association of global and regional law firm networks which is able to harness their collective strength in order to demonstrate our competitive edge over international law firms, vereins, and the Big 4 as the model for global legal services.
