Howard & Howard Continues 150th Anniversary Celebration with Donations to Merit School of Music and the Foundation for Hearing and Speech Rehabilitation

ROYAL OAK, Mich., September 3, 2019 – Royal Oak, Michigan-based Howard & Howard has donated to both the Merit School of Music and the Foundation for Hearing and Speech Rehabilitation (FHSR) as part of a year-long charitable campaign involving all the Firm's offices and their respective communities. The gift was announced at a reception held at Howard & Howard's Chicago location on August 28. Each organization received \$12,500.

To mark its 150th anniversary, the firm will continue to make donations totaling \$150,000 this year to various community and charitable groups in Illinois, Michigan, and Nevada.

About Merit School of Music:

Merit School of Music's mission is to transform the lives of Chicago-area youth through removing barriers to high-quality music education. They are a nationally accredited music school located in Chicago's West Loop with the primary goals of helping young people transform their lives and experience personal growth through music by removing barriers to participation. For nearly 40 years, Merit School of Music has been home to a diverse community of talented young musicians and have acted as a springboard for achieving full musical and personal potential. Its 125 passionate and experienced teaching artists provide access to high-quality music education, engaging over 3,500 students annually at the downtown location and in area schools and community centers.

About Foundation for Hearing and Speech Rehabilitation:

The Foundation for Hearing and Speech Rehabilitation (FHSR) is a private non-profit grassroots organization dedicated to improving the quality of life for all children affected by hearing and communication disorders through support, education, and advocacy. Since its founding in 1958, the organization has become an indispensable voice and source of services in the Midwest region for parents and professionals seeking help for children who are suffering and marginalized with hearing and communication disorders. Early intervention, medical attention, educational and support services are critical needs that FHSR has supported for almost 60 years.
